HISTORY OF THE ASSOCIATION OF JUNIOR LEAGUES OF AMERICA

The Junior League represents a serious endeavor on the part of young women to become active and constructive factors in the communities in which they live, to be intelligent citizens, and to assist in promoting human welfare. In addition to providing the member with channels of work and training for volunteer service, the Junior League helps her to realize two vital concepts: (1) that she is not an onlooker, but is herself a part of the community; (2) that the community, in turn, is not an isolated unit but part of the nation and of the world.

It was in 1901, at the beginning of a new era for American women, that the first Junior League was organized in New York. At that time Mary Harriman (Mrs. Charles Carey Rumsey) and Nathalie Henderson (Mrs. Joseph Swan) realized what might be achieved if a group of young women were encouraged to take a more active part in some form of active service to their own neighborhoods through the settlement houses and other organizations in existence at the time.

Soon similar organizations to that in New York were formed in various other of the large cities—Boston, Brooklyn, Portland, Ore.; Baltimore, Philadelphia, and Chicago. In the spring of 1912 six of the seven Leagues then in existence held their first national conference in New York City. In 1921 the Association of the Junior Leagues of America, Inc., was founded by the thirty Leagues then in existence. Mrs. Willard Straight (Mrs. Leonard K. Elmhirst) was elected president and a Board of Directors was appointed and instructed to draw up a constitution.

After 1921 the Association grew rapidly until, in 1923, there were sixty-three Leagues. In order to establish a closer contact between the Leagues and the Association, the country was divided into six territories and in each a League member was appointed regional director to act as liaison officer between the Leagues of the region and the Association and to serve on the latter's Board of Directors. Now there are fourteen regions, in each of which the Leagues elect every second year a member to serve as their regional director.

At the time the Association was first formed most League activity was in the realm of social work; but the Board of Directors, realizing the opportunities which would eventually offer themselves to Junior Leagues, set down in the constitution the social, economic, educational, cultural and civic fields as those in which Junior Leagues should interest their members.

Gradually the Leagues realized that a benevolent "doing for others" was not enough, that they must form a partnership with professional community workers to effect the improvement of conditions. To do this required knowledge. As evidence of this the first course for provisional members was established in 1921 and such a course, which includes an examination of the various forces at work in the community, has been a prerequisite for active membership since 1927. Originally League projects were

large enterprises—convalescent homes, day nurseries, curative workshops and the like. It was discovered, however, that to support these undertakings a disproportionate amount of time and energy often was going into money-raising to the exclusion of the educational process of volunteer service. Today where Leagues have projects the recommended type is one in which the demonstration element is present, the choice being based on the needs of the individual community in the light of the interest and money-raising capabilities of the League.

The League's realization of the need for expert guidance in its welfare activities soon led to the establishment of a trained social work staff at the Association's offices. Members of this staff were available for visits to Leagues to study the local situation and give advice. Similar service was then made available for Children's Theatre, Arts, Ways and Means, and Publicity. The Association also publishes the *Junior League Magazine,* issued semi-monthly to each Junior League member.

HISTORY OF WINSTON-SALEM JUNIOR LEAGUE

The Junior League of Winston-Salem had its beginning as the result of a meeting called by the late Mrs. J. Edward Johnson (former widow of Richard J. Reynolds, founder of the R. J. Reynolds Tobacco Co.) on January 13, 1923. About 40 young women met at her house at Reynolda. They were advised that they should devote time and energy to social service.

Mrs. Bess Gray Plumly called the group together a few weeks later, and the late Miss Marian Blair suggested that the group apply for membership in the Association of Junior Leagues of America.

In March 1923 the Winston-Salem Junior League became the 46th in the association and the first in North Carolina. The late Mrs. Lucy Hanes Chatham was the first president.

During the first five years the League was active in many projects such as opening a gift shop, sponsoring a pre-natal clinic, opening a Hospital for Incurables, operating a Beauty Parlor and forming a Children's Play Committee.

The next ten years show that the League was continually expanding into new fields. The Newssheet was begun and a placement system was put into effect. The League also continued operation of the Hospital for Incurables, opened a Rag Market (later the Thrift Shop) and helped organize the Civic Music Association. After the Hospital for Incurables was closed on June 1, 1937, the League assisted in the organization of the Mental Hygiene Society of Winston-Salem. The League also financed a Child Guidance Clinic which opened on November 1, 1937.

The next several years the League continued to sponsor and finance the Child Guidance Clinic. New projects included the Hall of History, presentation by the Junior Programs, Inc., and the bringing to town of four New York Dramas of the Contemporary Theatre Series. The League also joined with other interested community groups in forming the Children's Theatre Board.

In 1941 the League's program of planned expenditure of surplus was begun with $3,000 donated to the Red Cross War Fund, $1,000 given to the Library Fund of the Winston-Salem Teachers College, $5,000 given to the Family Service Agency for the establishment of a Child Placing Agency and $4,500 to the Community Council for the development of the Radio Plan.

In 1942 the Child Guidance Clinic was closed and in 1943 the gift shop was sold.

During the war years the League members devoted the major part of their volunteer service to war-related activities. Support of the Radio Council continued as well as a donation of $1,000 to the Wachovia Historical Society. A survey by Miss Virginia Lee Comer, AJLA Arts Consultant, showed a need for development and expression of the creative arts in our community. In 1945 the beauty parlor was sold. In 1945 the major portion of the League's surplus was donated to the community. The 400 shares of Reynolds B stock was divided as follows: 50 shares to the

City-County Hospital, 50 shares to the War Memorial Building Fund, 120 shares to the Mental Hygiene Society and 180 shares to the City Library. The Junior League Hospital Building was deeded to the Winston-Salem Foundation.

The League entered the Cultural field during these years by opening an Arts and Crafts workshop with Mrs. Chester Marsh as director. The League continued its financial support of the Radio Council and put aside $7,200 for the employment of a Community Arts Coordinator when the Arts Council proved its readiness to handle the money. The League also contributed $500 to the Piedmont Festival and sponsored a concert of the newly formed Winston-Salem Civic Orchestra.

In 1947 the city withdrew its support of the Arts and Crafts program and the League assumed the responsibility for the administration, financing and promotion of the workshop.

Support continued to the Symphony and the Piedmont Festival and in 1950 the League released the gift of $7,000 which it had held in trust for the Arts Council. In March of 1952, $3,000 was granted to the workshop and in 1951, the Arts Council established an Arts center and moved in a building owned by the Winston-Salem Foundation. In March the League's financial contribution to the Arts Center was completed through coordination of fund raising for the Arts groups under the Arts Council.

In 1952 the League had as its project the Children's Activities Program at the new City-County Library. The League voted the Library $1,500 for the first year and limited the League's sponsorship to three years. The League also continued support of the Arts Council with a donation of $5,000.

Two art exhibits were sponsored by the League in 1953 and recreational therapy was done in the Children's Wing of the Baptist Hospital. The next year showed the closing of the Thrift Shop and the beginning of our annual Rummage Sale.

In 1955 our three-year activity program for children was completed at the Public Library. The Recreational Therapy program at the Baptist Hospital was enlarged and the League continued to bring outstanding art exhibits to the Library. A new project was begun—providing the salary for a primary education teacher for the handicapped at the Children's Center.

During the next year the League strengthened existing projects and added to those services. A program for handicapped adults was begun and the therapy program at the Hospital enlarged.

The Handicapped Adult Program grew rapidly and the Hospital Therapy program was continued. The Cultural Arts Committee arranged a bus trip to Raleigh to tour the State Art Museum and $150 was offered as a purchase prize to the Gallery of Fine Arts in the name of the Junior League. A successful Rummage Sale was held as well as 5 marvelous productions of the play *Sleeping Beauty.*

In 1957 the League again contributed $5,000 to the Children's Center providing the school with a Kindergarten teacher. An art exhibit drew 3,700 people and the Rummage Sale was a great success. Night meetings were begun for professional members and

those unable to attend the morning meeting. Two brochures were printed—one dealing with Admissions policies and the other describing the community activities of the Winston-Salem Junior League.

The League continued to strengthen existing projects in 1958 by donating $2,000 a year for the next two years to provide an aide at the Children's Center, by buying a metal awning for the Pediatric Ward at the Baptist Hospital and by giving $1,155 to the Arts Council.

In 1959-60 the League accepted a new project by voting to pledge $26,000 over a three-year period for the restoration of the Timothy Vogler Home in Old Salem. A vote to establish headquarters in the restored house and a vote for a substantial dues and initiation fee raise were important outgrowths of the visit of Mrs. Robert Dingman, Financial Consultant of A.J.L.A. The League participated in the celebration of Winston-Salem, the All America City, by sponsoring an essay contest in the city schools.

In 1960-61 Regional Meeting was held in Winston-Salem for the first time. Delegates and observers from the twelve Leagues in Region XIII attended. The restoration of the Timothy Vogler House was completed, and $15,000 was paid on the $26,000 pledge to Old Salem. A new Admissions system was put into effect through extensive By-Laws changes.

In 1961-62 the League produced its first Follies, netting nearly $16,000 and paid off its obligation to Old Salem. A Puppet group was formed by the Professional members.

In 1962-63 the League voted approval of two new projects: one, $10,000 for remodeling the kitchen at the Amos Cottage; and two, a $6,000 challenge gift for two years to the consolidated school system for an art supervisor. The League calendar year was adjusted through extensive By-Law changes recommended by the newly formed Advisory Planning Committee. A revolutionary Children's Theatre workshop, under the direction of George Latshaw, AJLA consultant, was sponsored. Sixteen oil paintings were done for the Pediatric Floor at Baptist Hospital.

In 1963-64, the school system was unable to fill the position of Art Supervisor and did not take our challenge gift. Continued interest by and from the League resulted in a renewal of the $6,000 offer for 1964-65 and a new vote of approval to make the same $6,000 offer for 1965-1966. An Art Supervisor was hired so the project will be carried through. A visit from the AJLA Art Consultant, Mrs. Nancy Vars, and many hours of study by the Project Finding Committee resulted in the approval of a Natural Science Center for a three year project with $26,000 in financial support over the three year period and three members on the Board of Trustees. Fourteen oil paintings by League artists were presented to Forsyth Memorial Hospital for the Pediatrics Floor and a Daytime group was added to the Puppet Committee. The Fortieth Anniversary was celebrated by the publication of an unusual and attractive new brochure, a dinner dance for the membership and a luncheon in honor of the charter members.

ANNUAL REPORTS OF BOARD, 1963 - 1964

WINSTON-SALEM JUNIOR LEAGUE

PRESIDENT — MRS. ROBERT CORDELL

It might not be apparent to all of our membership here that the job of administrating an organization such as the Junior League is by no means an easy task. Such a job, with the responsibilities that it carries, is far too great for any one person to assume. It is therefore fortunate indeed that the President has a group of trusted associates known as her executive committee, upon whom she can rely for assistance in all things and particularly in the many facets of day to day operation which compose our League year. Your Executive Committee this year has served in that capacity most admirably and it goes without saying that their performance has contributed considerably to anything that has been accomplished.

First and foremost, your Vice President, Debbie Sartin, has lived up to her usual stellar capabilities. Her liaison with various committees, her representation of us at President's Council and Annual Conference, and her integration of the professional members have served as a major cohesive force within the League, to say nothing of her readiness to serve as President when requested. All of this would have been more than enough, but, without a doubt, her greatest asset has been her ability to utilize her imponderable role as Second Executive Officer as an effective tool in assuring smooth overall operation of this organization. My hat will ever be off to her.

Many of you have been faithful in attending scheduled meetings this year. None has been more faithful than your Recording Secretary, Nell Penn Spencer, whose never-ending job has been that of recording everything of importance that has transpired during all regular meetings of the League, all Board meetings and all executive committee meetings. As if this were not enough, she also tackled our Manual of Procedure for all officers and committee chairmen and successfully revised it, printed and distributed it with the help of the Advisory Planning Committee. For this task alone she deserves the appreciation of all of us now as well as that of future Boards to come.

To look at the mass of correspondence necessary for an effective operation of our League, one would expect the need of at least five secretaries. Mary Lu Whaling has been our link with the outside world with apparently the greatest of ease — and with superb proficiency. For representing our face to other Leagues and for serving as a communications link within our own League, we are most indebted to our Corresponding Secretary. It would be of interest to all of you that Mary Lu and Nell Penn will soon begin the annual chore of compiling our Yearbook. For this, we thank them in advance.

It has been a source of no small comfort to all of us this year to know that our finances were being managed by none

other than that ex-banker Jane Waugh. As quote "custodian of funds" unquote, she has insisted that every penny be properly placed within our myriad of accounts and funds, and has done a job which to many would be perplexing and harrassing with seeming greatest of ease.

It might well be that indeed too many of you are familiar with the job that fell to the lot of Adrian Shore this year. As keeper of the roll, pronouncer of fines, and collector of dues, she has held the chair, usually considered least popular, in an amazing fashion, and as far as I can tell has only gained friends during the entire year.

Thus went the Executive Committee of 1963-64 and with such an impressive array I'm sure you can understand why the year has been a pleasure rather than a chore.

Your Board of Directors this year can be correctly called a council of action. This Board represents a group of very able people who have demonstrated a high level of motivation and common sense in addition to serving as an advisory and consulting group to the officers.

The job of moderating and directing the Committee on Admissions was done in a most effective manner by Johnnie Dunn. The work of this committee has already been attested to tonight by the presentation of our new provisional members.

The Poke Easies will long remember the series of exciting and varied encounters with our Adult Handicapped Committee, under the direction of Page Hill. I am certain that her interest and enthusiasm has permeated her entire committee as evidenced by its unusually good performance.

Joy Bennett's extra special background in the League has allowed her the unique advantage of rendering a number of very important decisions in Advisory Planning. Notable among these has been the long debated one which resulted in the decision that the Vice-President would not automatically succeed to the Presidency. I should add that one and one-half years of study preceded this thoughtful decision.

The work in progress at the Amos Cottage has been helped markedly by the untiring efforts of our representative to their Board, Martha Womble. Even though the kitchen renovation is almost completed as a project of our League it is our hope that liaison and fostering the worthwhile work of this center will be a continuing part of League Service.

Mary Jo Hanes has wrestled most adroitly with numerous By-Law changes and by virtue of them has kept us up to date with an efficient political structure.

The Children's Theatre Committee, along with 98 League girls, teamed up this year under Algine Ogburn's excellent chairmanship to produce the play, "The Witch's Lullaby" in nine performances for 3588 children. This very real accomplishment probably helped our League as much as the Children's Theatre Board in that it served as an in-league force to draw us closer together.

The fostering of the arts in the community by the Community Arts Committee chaired by Catherine Montague, took

the role this year of sponsoring an art course for the enlightenment of our League members and the training of volunteers for the now-assured arts program in the schools. There is no doubt that the work of this committee was most instrumental in the acquisition of our new Art Supervisor for the consolidated school system. They can boast of this accomplishment in addition to offering our Annual Purchase Prize to Dalton Junior High School.

None of us can say that we weren't fostered in our continuing self-education effort this year by the superb series of programs arranged by Drane McCall and her Education Committee. If you will briefly review a few of them with me the names of Carroll, East, Brinkley, Gilmore are of truly national stature. Our sincere appreciation goes to Drane, to say nothing of the availability of name tags and our current events bulletin board.

Bunky Stockton who has literally been our housemother and office manager during the past year has perhaps performed her greatest service by emphasizing the importance and efficiency of our headquarters. Through her streamlined and effective efforts it becomes increasingly difficult to understand how we functioned before having the Timothy Vogler House.

Our hats are off to the Perle Mesta of our League who with an able committee has really done yeoman's service during a very long year. After this experience, Amelie Owen can readily give expert advice to anyone in the market for luncheons for foreign visitors, anniversary balls, dinner dances, coffees or just plain get-togethers.

Nothing I can say summarizes the successful year's activities of the Hospital Therapy Program more than the final sentence of chairman Martha Field in her annual report which reads "A smile from a sick child is a tremendous reward for an hour and a half twice a month." — even though it occasionally requires a few goldfish!

Glad tidings for a year's work well done are due Suzanne Simpson who has maintained our vital statistics in the AJLA Magazine. In addition we're looking forward to future articles on the provisionals and Amos Cottage.

Word has leaked to us that our Newssheet, under the able direction of Mary Nell Humes is increasingly looming as competition to our local newspapers. The originality and novel approach by our Chairman, her assistant editor, Bill Kester, and this year's staff, have done us proud for which we are most grateful.

The calibre of our new officers and delegates attests to the function of our Nominating Committee for which I need say no more. We owe this committee under the chairmanship of Ann Strickland our thanks for many hours of work for which no formal commendation is usually given.

The pediatric ward of the new Forsyth Memorial Hospital is a much brighter place thanks to Mimi Whaling and her Pallets for Pediatrics Committee who completed fourteen paintings and presented them last week.

The mammoth and vital job of the Placement Committee was aptly done under the Chairmanship of Eleanor Vance, whose committee filled 1014 volunteer positions in the League and in the community. No other statistic better exemplifies the League's part in community service. In addition, they initiated a Fun Book Committee to supplement our hospital programs and recruited substantial sustaining participation on our Hostess Committee.

Accomplishments of the Project Finding Committee are apparent. The Nature-Science Center alone could well represent a year's work well done. The unheralded hours spent in investigation of this and other projects are less apparent — but nevertheless vital to an ongoing organization. Emmy Lou Long deserves our special merit award and our heartfelt thanks.

Those of us who were able to observe the work of the Provisional Committee at close range were impressed by its quiet efficiency and its business-like approach, coupled with its fun-like atmosphere and creativity of this year's committee. Without a doubt our new active members have been well versed in the credo of our League and will make valuable additions to our organization.

I believe that I am not alone in feeling that our Public Relations need take second place to none in the past. Careful planning and close liaison with news, radio and television media by Chairman Pauline Robinson has been largely responsible for the committee's success. Highlights of the year, including our Fortieth Anniversary Ball, luncheon meeting, and brochure have therefore been permanently documented and will be remembered by us for years to come. The novel approach of this committee toward recognizing benefactors in the form of a combined gift in their name to the Amos Cottage might well begin a tradition for future committees.

With the creation of a daytime group in addition to the evening group our Puppet Committee has blossomed into a most professional troup under the leadership of Mary Green. With new stages, new puppets, and new outlets for presentation, we can expect increasingly enthusiastic acceptance in our community.

Aurelia Eller's major activity for the year — the Rummage Sale — requires little comment from me, in that all of you are aware of the fact that this year in a two-day sale we tried new features, had more participation and made more money. These facts stand for themselves in portraying the extent of effort put in this year's sale by Aurelia, assistant Mary Glenn, their committee, and our entire membership.

The Telephone Committee might have us think that they have not been very active, but it may surprise you to realize that over 2240 calls were made during eight special periods of activity this year. This should certainly qualify Carolyn Kester and her committee as some of Southern Bell's best customers.

Thanks to Margaret Leckie, our Transfer Committee Chairman, those who have joined us from other areas are now better known to us and well integrated into our League. To them, may we again welcome them to active future participation in our organization.

Our ever present advisor, consultant and confidant, Bob-Ed Hanes, has served admirably in her position as sustaining advisor to the Board. She has heard our problems, has been ever sympathetic in all situations, and has given untiringly of her time and wisdom to keep us moving forward. We are most sorry she could not be with us tonight but I know that all of us join in wishing her a speedy recovery.

You have just seen your Board of last year in caricature through the delightful talent of Mr. George Lynch who purposely did not work to make them as glamorous as they usually are.

Needless to say, they have been a source of unswerving loyalty and hard work as far as I am concerned during the past year and have given unerring support to make the visits of our AJLA Consultant and our Regional Director completely rewarding. They, however, would be the first to say that any successes which we have had in the past year have been largely due to the excellent participation and total effort of our membership, who, after all, make up the Junior League of Winston-Salem.

In closing, I would simply like to express my appreciation to the Board and to the membership for the privilege of having served as your president. It has meant more to me than any other work in the community that I have ever done. I shall always cherish this opportunity and by virtue of my vantage point during this past year, would like to reiterate the quality of our organization as it has appeared to me.

With such support and capabilities, many of which have not yet been tapped, this League can have nothing but brighter futures and increasing milestones in community service to Winston-Salem.

Ongoing progress can be aptly personified in the personage of your new President, Eleanor Vance, who has much to offer and to whom it is a pleasure for me to turn over the gavel at this time.

Respectfully submitted,
Dewitt Cordell

VICE-PRESIDENT

There were seven regular meetings held for the professional members this year and two additional meetings (call meeting for Project vote and joint March meeting) which this group attended. The following speakers were secured by the Education Committee to speak to this group; Mr. William East, Mr. Wallace Carroll, Mr. Reuben Graham and Mr. Voit Gilmore. In addition, the professionals discussed the N. C. Prison system, heard conference reports and were thoroughly briefed by the Project Finding Committee before the vote on the Nature-Science Center. Average attendance has been fifteen.

Discussions of all business and committee plans have kept this group well informed and aware of all placement opportunities open to them. Currently, professional members are serving the following League committees; Puppets—9, Palettes—1, Hostess—2, Children's Theatre—1, Rummage Sale—1, Newssheet—4,

Funbooks—5, Secretarial—2, Hospital Therapy—1, Adult Handicapped—1, and By-Laws—1.

The Vice-President attended Regional Conference in Spartanburg, S. C., as a delegate and Regional Conference in Charlotte as a day observer. At the request of the President, she attended President's Council in Columbia, S. C., and conducted one Board meeting and one League meeting. At the direction of the Executive Committee, the Vice President served on the following committees: Education, Project Finding, Advisory Planning, Finance and Public Relations. The Vice-President assisted with Board Orientation, the 40th Anniversary Brochure, the skit for the 40th Anniversary Luncheon and composed an entry in the Service to Youth Contest for the Junior League.

It has been a great pleasure to work in the capacity of Vice-President this year although the problem of making the professional group feel more a part of this League was not solved.

Respectfully submitted,
Deborah D. Sartin

RECORDING SECRETARY

Due to revisions in the calendar year, from April, 1963 through April, 1964, there were ten regular meetings of the Junior League and one call meeting. The Board of Directors met for ten regular meetings and one call meeting. There were eleven meetings of the Executive Committee. Minutes of each meeting have been recorded and copies given to the President. Minutes of all Board and Membership meetings were sent to the Regional Director, also. Copies of important reports of officers, committee chairmen and conference delegates are filed with the minutes specified therein.

At the direction of the Board, the Manuals of Procedure for all officers and committee chairmen have been revised, reprinted and completely fixed new.

Finally, the Yearbook was compiled and edited in cooperation with the Corresponding Secretary and copies were mailed to all active, sustaining and provisional members of the League.

Respectfully submitted,

ADULT HANDICAPPED

The Adult Handicapped Committee planned and conducted a program each month for the Poke-Easy Club. In April we introduced the Committee to the Club members by playing "To Tell The Truth" and by showing slides. In May, League artists visited and did sketches of the members.

In June the annual picnic was held at Knollwood Baptist Church with games and a quartet to entertain us. July brought the band concert at Salem Square. In August we met at a Dairy Bar and took an imaginary trip to Hawaii, complete with slides, mau-maus, leis, and pineapple punch with cookies.

A Hobby Show was held in September, with each member bringing his hobby. Two guest speakers spoke on rocks, shells and jewelry. October meant Halloween and we had an exciting party at the "Y" with a clown, make-up artist from the League, the quartet, and games. In November they saw two movies and played Bingo.

Dr. Taylor Dodson and his group of Wake Forest Students entertained with songs and games at the Christmas Dinner in December. We had a real Santa and all the Christmas trimmings. Duke Power Company's charming hostesses entertained us in January with delicious foods prepared on their new small appliances.

The Puppets visited us in February. We had a Hootenanny in March for which The Continentals from Reynolds High School played. Also, there was a song fest accompanied by an accordian and our own combo. It was so much fun! In April, Mr. Ski at Major League Bowling Lanes gave us bowling instructions; then most of the members tried bowling.

This committee has been very enthusiastic and interested in programs this year. We have had prizes, refreshments and fun at all of our meetings and hope the Poke-Easys have enjoyed it as much as we have.

Respectfully submitted,
Page Hill

ADVISORY PLANNING

The Advisory Planning Committee depends upon the Board for its assignments. It investigates and makes recommendations to the Board but does not itself make policy.

The first assignment was to investigate the advisability of the Vice-President automatically succeeding to the Presidency. After corresponding with the Regional Director and a meeting with seven ex-presidents, at which time all facets of succession were discussed, it was the unanimous decision of those present that our present system of not having automatic succession should be retained. This decision was reported to and agreed upon by the Board.

At the request of Placement and Hospital Therapy, the committee investigated the availability of volunteers from other agencies or groups to help in our hospital program. The outcome was a commitment from the Gray Ladies of the Red Cross to take two days a week at the hospital.

Concerning the Puppet Committee, Advisory Planning recommended that two delegates from that committee be sent to the National Puppetry Conference this year instead of sending delegates to the Children's Theatre Conference. Subsequently, the delegates from these two committees would alternate in attending their respective conferences. The Board voted to accept this recommendation.

Respectfully submitted,
Joy Bennett

AMOS COTTAGE

Following the vote of the League to renovate the kitchen at the Amos Cottage as a $10,000.00 project, this committee was established as a liaison between the League Board and the Amos Cottage Board. Through Placement, volunteers were furnished to drive nine children from Konnoak Hill School back to Amos Cottage three times a week and to do office work two mornings and one afternoon.

Our volunteers did a good job and were an enormous help at the Cottage. There is a great need for this work and, in the future, I hope there will be more League girls filling more hours at Amos Cottage. I promise it is rewarding!

Martha H. Womble

BY-LAWS

The By-Laws Committee worked with the Nominating and Rummage Sale chairmen in making two changes, and upon recommendation from annual conference added a dissolution clause to our By-Laws.

In the event of dissolution of our League, the remaining assets would be distributed to charitable organizations. Some Leagues have stated this in their charters, but upon the advice

of our lawyer, this clause in our By-laws is sufficient at the present time.

It was felt that we should have a definite provision of succession to the presidency in case our president should have to resign during office, and our last change concerned the elimination of the date in our present By-law on money due on Rummage Sale quotas.

All three changes were accepted by unanimous vote and are as follows:

Article II—Object and Policies

Dissolution: In the event of Dissolution of the Corporation, after the payment of all debts, any remaining assets of the Corporation shall be distributed, transferred, and paid over to such charity or charities that may qualify for tax exemption under the then existing income tax laws relating to tax exemption as charitable or educational corporations.

Article V—Board of Directors

Section 4
which read: Vacancies among the officers shall be filled by election by the Board of Directors. Vacancies among the chairmen shall be filled by the President with the approval of the Executive Committee until the expiration of the term of office.
now reads: Vacancies among the officers other than the President shall be filled by election by the Board of Directors upon recommendation of the Nominating Committee.

Article VIII—Financial Arrangements

Section 2. Membership Dues and Fines
which read: Any Junior League member, other than Non-Resident, and Sustaining shall be required to pay annually on March 1st, in cash to the Junior League, any amount not otherwise contributed in rummage to complete her Rummage Sale quota.

now reads: Junior League members, other than Non-Resident, Inter-League, and Sustaining, who do not complete their Rummage Sale quota, will be allowed to do so before the Sale at the discretion of the Quota Chairman.

CHILDREN'S THEATRE

"The Witch's Lullaby," dramatized by Martha Bennett King, based on *Malcolm Macbeth,* by John Storm, was the Junior League's 1963 presentation for the Children's Theatre Board series. Over 3,588 children, kindergarten through third grade, saw nine performances November 4-8 at the Winston-Salem Little Theatre.

This year Ann Rush conducted an extensive light workshop for the Junior League Children's Theatre committee, using manuals which she compiled and had printed from lectures and notes of Millard MacDonald, Winston-Salem Little Theatre

Technical Director. She and Claire Christopher, light chairman, plotted and set lights for "The Witch's Lullaby" — a first for Junior League girls! They, and other members of the committee who took the course, worked lights during the play.

A provisional work shop was given with the help of co-chairman Billie Goslen, all the Children's Theatre chairmen, actors, our director Doris Pardington, Children's Theatre Board Chairman Mary Nell Humes, and Mrs. Robert McCuiston, who gave an interesting Junior League Children's Theatre history.

The Southeastern Theatre Conference in Nashville last spring was very valuable to my co-chairman and me and we recommend attendance at these annual conferences whenever possible. The Junior League play is the only amateur production which Children's Theatre Board sponsors. Our standards must be professional.

Ann Rigby, Children's Theatre Public Relations Chairman, and I were this year's Junior League representatives on the Children's Theatre Board. My co-chairman, Billie Goslen, is an individual member.

Ninety-eight Junior League girls gave talent, thought, time, and hard work to produce "The Witch's Lullaby", and my co-chairman, Billie Goslen and I enjoyed thoroughly our year's work with them and director Doris Pardington.

Algine Neely Ogburn

COMMUNITY ARTS

To represent more fully the purpose of this group, the committee members voted to change the name from Cultural Arts to Community Arts.

In the fall the Community Arts Committee sponsored a bus trip to Greensboro to see "The Sea Gull" — a play presented by The National Repertory Theatre.

A Purchase Prize of $300 was offered to the Winston-Salem Gallery of Fine Arts for their October Jury. The Junior League Purchase Prize was awarded to Walter Thrift of Virginia Beach, Virginia for his oil painting, "Waiting." Mr. Thrift helped to make the painting more meaningful by speaking at the dedication ceremony when "Waiting" was presented to Dalton Junior High School.

To provide a training program for members who might take art lectures into the schools, and for those simply wanting self-enlightenment, the committee presented an Art Appreciation Series, covering Primitive to Pop Art. The course was planned under the supervision of Edward Shewmake, Associate Professor of Art at Salem College, and was taught by Mr. Shewmake, William Mangum, Mrs. Howard Shields, Mrs. Ira Julian, and Gregory Ivy. Each week for eight weeks about 40 active and sustaining members came to the Gallery of Fine Arts for coffee and conversation beforehand, and then settled down for a thought provoking hour. The course proved a popular and successful project.

The chairman represented the League at Arts Council Board Meetings, and the committee provided a liaison between the North Carolina State Art Society and the League. Assistance was given the Winston-Salem/Forsyth County Schools in their search for an Art Supervisor.

The enthusiasm and cooperation of the Community Arts members has made the year a most rewarding and pleasurable one.

Catherine Montague

EDUCATION COMMITTEE

The Education Committee was responsible for presenting the following programs to the membership:

May: The Reynolds High School debating team presented, pro and con, "Resolved, There Should Be a Common Market for the Western Hemisphere."

September: Mr. William B. East, city editor of the Twin City Sentinel, spoke on "Communism in North Carolina and Winston-Salem."

October: Mr. Wallace Carroll, publisher of the Journal and Sentinel, and former chief of the Washington office of the N. Y. Times, spoke on "Washington Under Two Presidents."

November: The Project Finding Committee arranged for Mrs. Kincaid Vars, AJLA Arts consultant, to speak to the membership.

December: The Education Committee arranged for a Fortieth Anniversary skit to be presented, featuring Mrs. Richard E. Shore, Mrs. W. K. Hoyt, and Mrs. Robert A. McCuiston. During the Anniversary Luncheon, the Committee presented a 1920's fashion show, modeled by this year's Provisionals. Mrs. Fred M. Parrish, Jr. narrated the show, with Mrs. Hamilton Horton at the piano.

January: Mr. Reuben Graham, administrator, spoke on the program and plans of Amos Cottage.

February: Mr. Voit Gilmore, director of the U. S. Travel Service, spoke on "North Carolina and World Travel" at a night meeting, with husbands and other invited guests present.

March: Mrs. Elizabeth McCubbin, director of the N. C. Women's Prison, spoke on "The Women's Prison."

The Education Committee was not responsible for a program in April because Mrs. Charles Sterling, Regional Director, spoke to the membership while on her visit to our League. The May meeting was the annual meeting, at which traditionally no program is planned.

The Education Committee arranged for the morning speaker to speak to the Professional group whenever possible. Education conducted part of Board Orientation, placed clippings on the bulletin board at the regular meeting place, and recommended, on the basis of reports from President's Council, the use of name tags at membership meetings. Education arranged for the

membership to be special invited guests at the David Brinkley lecture given to the Reynolds High School students in May, 1963.

Each member of the Education Committee added greatly to the successful completion of the year's work. Sincere thanks go to each member for her excellent co-operation, imagination, and dependability.

Respectfully submitted,
Drane McCall

FINANCE

The Finance Committee, composed of six members, held two meetings during the year.

Several by-law changes were recommended to the By-Laws Committee, one a by-law concerning the disposal of the money in the League's Administrative Account in the event of the dissolving of the League. The by-law was passed by the membership. The budget for 1964-65 was drawn up by this committee and passed by the membership.

It was agreed that $2,000.00 in the Administrative Fund checking account would be transferred to a savings account, thereby raising the contingency fund to $4,164.58. Income to the Administrative Account for 1963-64 totaled $9,665.05, expenses were $9,674.43. Total income to the Community Trust Fund Account was $14,723.91, expenses $12,573.74.

The balance of the Community Trust Fund reserve at the end of the 1963-64 fiscal year is $24,835.92. To this figure will be added $15,167.71, the net profit of the 1963 Rummage Sale.

HEADQUARTERS

The Junior League Headquarters at the Timothy Vogler House has continued to increase in importance as a center for League activity. Each year, the necessity for its operation is more apparent as officers, committee chairmen and individual members take greater advantage of Headquarters both as a place for typing, mimeographing and other clerical work and as an excellent location for meetings.

Due to an increased work load, several things have been added to make us more efficient. The use of the "Work Request Form" has enabled the volunteers to see at a glance what needs to be done, when it must be completed and who is making the request. Kathy Sisk has been employed on an hourly basis to do typing at home, and this set-up has proved invaluable. A new ink recovery cylinder has been purchased for the mimeograph machine; this along with a service contract which guarantees that it is kept in first class condition, makes this three-year-old equipment comparable to a 1964 model. The recent purchase of an Elliott Addressing Machine was one of the highlights of the year. As soon as all addressing plates are typed, it will be put into operation and the constant addressing by hand of all letters and postcards will come to an end.

Due to an increased desire on the part of the membership to use Headquarters for a meeting place, several things are being done to make us more comfortable. Five additional folding chairs have been purchased. The Sustaining Advisors are presently searching for appropriate furniture and equipment which will provide more adequate lighting. Since there is an ever-growing need for storage space, a window fan is being installed in the basement in an effort to improve ventilation and relieve the dampness — there will soon be a dry home for records, props, etc.

Headquarters has been the recipient of several very nice and very necessary gifts during the year. Bob Sartin has donated an aluminum folding table, providing additional work space; Dee Dunn has given shelving for storage space in the basement; Diana Wilson has donated an adding machine which will prove very useful.

In addition, the Timothy Vogler House has received a thorough scrubbing on the outside by Old Salem; and a thorough polishing on the inside by Dutchmaster.

Each and every one of the 16 volunteers has gone above and beyond the call of duty in carrying out her responsibilities. They are to be commended and congratulated.

Bunky Stockton

HOSPITALITY

The 1963-64 Hospitality Committee has had the excitement of serving during our 40th Anniversary year. A dinner dance celebrating this occasion was held May 15th, 1963, at Forsyth Country Club, preceded by a cocktail party for the 314 persons attending.

In July the Hospitality Committee and the Public Relations Committee gave a luncheon for the visiting ladies from Bucaramonga, at the request of the Sister City Committee.

In December, the 40th Anniversary Luncheon was held at the Forsyth Country Club honoring the first members of the Junior League of Winston-Salem. There were 18 charter members and 200 active and sustaining members present. The mid-winter dinner dance was held in January at Forsyth Country Club with 297 attending.

The Education Committee and the Hospitality Committee planned refreshments for members, their husbands and guests after the night meeting in March.

A luncheon following the April meeting was given at Old Town Club and enjoyed by 114 members and our Regional Director, Mary Sterling. The Committee planned refreshments after the Annual Meeting in May at Forsyth Country Club. Also, the Committee has served coffee before Board Meetings at the Timothy Vogler House throughout the year.

Each member of the committee was outstanding in the amount of time and effort she gave and responsibility she carried during this active 40th Anniversary year. I wish to express my appreciation to a wonderful committee.

Amelie Owen

HOSPITAL THERAPY

The Hospital Therapy Committee met June 19th at the hospital with the new provisionals and killed two birds with one stone. The set-up of the 5th floor pediatrics, history of the committee, and policies of the hospital were explained. Then we went to the playroom itself, and the file containing ideas for arts and crafts for the children was shown. The head nurses were also introduced to the girls. This meeting took the place of the usual arts and crafts workshop, which I felt would be unnecessary with the addition of the file of ideas and materials.

The teen-age volunteers were recruited and in June they also were taken to the hospital for cokes and were explained and shown the above. There were approximately 17 girls who went each day, including Saturday, during the summer.

Games, art supplies, new aprons for the League girls, and a stocked aquarium for the history room were purchased. Also 3 Boston rocking chairs for use on the floor were purchased from the Boling Chair Co. in Siler City.

Schedules were sent out to all volunteers in late August and early January. Through the Fall 18 girls worked approximately 54 hours a month. After Christmas 20 girls worked ap-

proximately 60 hours a month. This committee meets a great need not only to the nurses of the hospital, but also to the parents of the sick children as well as the children themselves. A smile from a sick child is a tremendous reward for an hour and a half twice a month!

MAGAZINE

The Winston-Salem Junior League was mentioned in two issues of the Magazine this year. A photograph of Dewitt Cordell at Conference appeared in the September-October issue, and as a result of the work of last year's committee, there was a photograph of two of our members at the Children's Theatre workshop conducted by George Latshaw. This was included in an article in the July-August issue.

This year three articles were submitted for possible use in a forthcoming issue concerning Provisionals. The editor expressed interest in one of these, and asked that we send more information along with a photograph, which was done. We are hoping this will be used in the May-June issue. It was felt that our work at Amos Cottage was noteworthy, so an article covering our participation in this project was submitted also. This is being kept on file for possible use in the future.

Notices of marriages, births, and deaths were sent in regularly for the Tidings section of the Magazine. The idea of having League members inform this committee of their own news for Tidings was a complete failure.

Magazines have been kept on file as well as copies of all correspondence, articles submitted, and Tidings information.

NEWSSHEET

Ten issues of the Newssheet were published during the year 1963-64. Copies of each issue were sent to AJLA, to the Regional Director and exchanged with presidents and editors in Region XIII. Each advertiser received monthly copies, also.

To celebrate our Fortieth Anniversary Year several features, additional pictures, and occasional color were added expanding six issues to six pages, one issue to eight pages, and the December issue to ten pages. The Provisional Class added their artistic and literary talents to the December issue. The February issue devoted the center sheet to the proposed Nature-Science Center making additional copies available for the Project Finding Committee's use. Over two hundred additional copies of the April issue were sent to firms who helped with the Rummage Sale. All existing copies of the Newssheet to date were bound this year.

In-League and pertinent community events were covered through articles and a monthly "Did You Know . . ." column,

giving additional items of interest. We have endeavored to give a continual view of placement through the year making these opportunities more meaningful.

Nine new advertisers were added this year covering several different areas. The format of the Newssheet heading was changed with our February issue giving us "a new look."

"League Log" was continued in order to keep the League informed of changes in status and address of the membership. New transfers were introduced through articles with their pictures.

To the Newssheet Staff may I express my appreciation for your never ending talent for presenting the news. It is hoped that through your efforts the Newssheet has stimulated interest in the League, its activities, and its purpose.

Mary Nell Humes

NOMINATING

The Nominating Committee met a total of seven times, beginning in November and ending in April, with the following results: the mailing of a straw ballot to all active members prior to the December meeting; the drawing up of a slate of officers for 1964-65; the mailing of the slate to the active membership along with the lists of those eligible to serve on the Nominating and Admissions Committees. The nominating for these two elected committees took place at the February meeting. The final voting on these committees and on the slate of officers was held at the March meeting.

In addition, this committee selected two delegates, two alternates, and one official observer for Regional Conference and presented these names for Board approval in January. In March, the committee presented three candidates for delegates to Annual Conference. One was elected by vote of membership to accompany the in-coming president, automatically a delegate.

The Nominating Committee functioned smoothly throughout the year, due to the excellent cooperation of each of its members.

PALETTES FOR PEDIATRICS

The Palettes for Pediatrics Committee was reactivated this year as a result of a request from Forsyth Memorial Hospital to do a series of paintings for their pediatric department.

Twenty volunteers have painted three days a month under the direction of the Co-Chairman, Carrie Davis. Fourteen oil paintings were presented to the hospital.

I would like to express my appreciation to every member of this committee for her effort, cooperation and enthusiasm.

PLACEMENT

This year the Placement Committee continued its efforts to plan a challenging volunteer program for Junior League members. Each interviewer placed emphasis on training of the individual through quality placement and outstanding service to this community.

After a comprehensive survey of volunteer needs, opportunity charts were prepared and mailed to all members. Interviews took place May 21 and 22 at the home of Mrs. James A. Gray. Results of these interviews reveal that our active members filled 1014 volunteer positions in League administration and community service during the year, including only those areas which come under the direct supervision of the Placement Committee. Fifty-seven actives served on eighty-eight community boards.

In addition to staffing our own Junior League programs, volunteers served 14 agencies or organizations, either in weekly jobs or through the three special committees. Members of the Artist, Hostess, and Secretarial committees responded to many and various requests for service. We were delighted when a number of our Sustaining members answered a call from the Hostess Committee; this group worked for Old Salem on two occasions and gave a Christmas party at Amos Cottage. Sixty-eight sustainers are currently serving on community boards.

Three new opportunities for placement were presented: Amos Cottage expressed a great need for drivers to transport children to school and back, and for secretarial help; A Fun Book Committee was formed, aimed primarily at those girls who find it necessary to do a portion of their volunteer work at home or in the evening. This highly successful group made activity books for children in two age ranges and distributed them to the three hospitals, Amos Cottage, Children's Center, and the Visiting Nurse Service. We also worked with the latter by sponsoring three series of Expectant Mothers' Classes. Our venture into Puppetry was expanded by the organization of a daytime committee, which enthusiastically arranged and presented their own shows.

Contact with individual members and agencies was maintained by follow-up telephone calls in October and February. At the final meeting of the committee, suggestions for increasing the efficiency of our Headquarters operation and releasing some volunteers from jobs there and in the Hospital Therapy Program into other areas of service were discussed. These ideas were directed to the Advisory Planning Committee.

At the time of the agency tours, all members of the Placement Committee were especially impressed by the fact that we are being asked to provide not only helping hands, but talent, brain-power, and leadership as well. It is our hope that each member of the League understands this fact.

My thanks to the girls who served on the committee this year; their constant enthusiasm and interest have been an inspiration.

Eleanor J. Vance

PROJECT FINDING

Acting on the recommendation of last year's Project-Finding Committee, this year's committee continued to study a Natural Science Center as a possible League project. We visited the Charlotte Children's Museum and talked with the Winston-Salem City Recreation Commission. Then, because we felt this should be a community (not strictly League) endeavor, we interviewed about thirty business, civic and educational leaders to determine their interest in, and the community's need for, such a facility. This work continued through the Summer and Fall. In October we had a requested three day Staff visit from Mrs. Kincaid Vars, AJLA Arts Consultant. Her advice and recommendations were most helpful, and in January we brought to the League our recommendation that a Natural Science Center be initiated as a Junior League project, and submitted a request for $26,000 (over a 3-year period) to help finance this project. On January 14th the membership voted in favor of this proposal. On the same day, the Winston-Salem Foundation agreed to co-sponsor this project with the League and voted $16,000 over a three-year period to be used for this purpose. The Mary Reynolds Babcock Foundation agreed to allow use of Barn No. 1 at Reynolda for this period at $1.00 per year rental, and Wake Forest College made available 100 acres surrounding the Barn for the Center's outdoor program. The City of Winston-Salem (through the Recreation Department) agreed to assume maintenance, utilities, and janitor service. The consolidated school system endorsed the Center and said transportation to the Center would be furnished for all 45,000 children in the system. Letters of acknowledgment and appreciation were sent to all agencies and individuals who advised us during our investigation of the need for such a Project. After setting up a Board of Trustees composed of 19 community leaders and 4 League representatives, work began immediately to find a suitable Director so that the Center could be formally opened in September, 1964.

Also, during the year we received and studied a request from The Winston-Salem Symphony Association for help with its in-school concerts, which had run into financial difficulties due to increased demand following consolidation. Since our meetings, with Symphony and school officials, this request has been held in our files until such time that it is recalled, revised, or in some way reactivated by the Symphony Association.

We also considered a request from Mr. Lee Mootz for paintings to be hung in the Pediatics Ward of the new Forsyth Memorial Hospital. On the recommendation of this Committee the membership agreed that Palettes for Pediatrics should do these paintings at a cost not to exceed $400.00.

I would like to take this opportunity to give a word of thanks to all those who gave help and advice during this most rewarding year — with a special "Thank You" to the members of my committee who unfailingly offered sound advice and encouragment and gave many, many hours of their time without a complaint. And all our thanks to Dewitt without whose leadership and counsel we could not have progressed so rapidly or smoothly.

Respectfully submitted,
Emmie Lou Long

PROVISIONAL

The Provisional Course this year included a three-day basic indoctrination in June and the Community Course with agency and other tours in September and October. This was followed by a study of League committees and work in various phases of League activity. A workshop was planned by the Children's Theatre Committee and a very informative briefing session was held for the provisionals by the Newssheet Committee prior to their contributing to the December issue. In addition each provisional was required to attend one Board meeting and work on the Rummage Sale.

The class kept attractive and thorough notebooks, and each girl wrote a paper on "My Views on the Provisional Course and How It Has Helped Me to Become Community Conscious."

This committee is indebted to those sustaining and active members who contributed in so many ways to the success of this entire endeavor and to the community leaders whose knowledge and assistance were invaluable in presenting the Community Course.

The Provisional Committee has been impressed with the diligence, interest and ability shown by each girl.

I am sincerely grateful to the members of this committee, each of whom worked tirelessly to make this an effective course.

Respectfully submitted,
Rosena Dillard

PUBLIC RELATIONS

This year the Public Relations Committee has worked closely with the Education Committee to help promote the 40th Anniversary Year and our in-League public relations.

The Committee assisted with the luncheon for the visitors from Bucaramonga, Colombia, in the summer.

The 40th Anniversary Brochure was written, illustrated and printed during the Fall. It was distributed at the December Luncheon meeting. Sustaining members were entertained at the luncheon with a skit and the Sunday Journal and Sentinel gave a full page coverage of the affair.

The Committee, in cooperation with the Education Committee, recommended the use of name tags at the membership meetings and the use of a bulletin board at meetings to have a better informed membership. The use of both has proved worthwhile.

A special scrapbook was kept for the 40th Anniversary Year.

A letter was mailed to the Active and Provisional members in October to remind them of each person's responsibility for good public relations within and without the League at meetings.

The newspapers and the radio and TV stations have been most cooperative and have given our year's program excellent coverage. Monthly meetings, Regional Conference, AJLA Consultant's visit, the new project — Nature-Science Center, Children's Theatre, Rummage Sale, Regional Director's visit, etc., have received generous support from the different media.

The Public Relations sheet concerning the purpose and the projects of the League was brought up-to-date and distributed to the committees that use them in their program.

This year the Committee decided to use a $200 donation to Amos Cottage, Inc. as a "Thank You" to those persons in the community who have helped with the League program during the year. A letter and additional information on the work of Amos Cottage was written to each person stating that a donation had been given by the Junior League in their name. Amos Cottage in addition acknowledged the gift to each person individually by card.

The work of the Committee was accomplished by seven members, a Sustaining representative and the Chairman. I would like to thank each member of the committee for her initiative, diligence, and cooperation.

Respectfully submitted,
Pauline Robinson

PUPPETRY

The Puppetry Committee was expanded into two groups this year: the evening group continued to be a placement opportunity for Professional members, and a daytime group was formed for those who wanted to work with puppets but preferred daytime placement. Both groups were active throughout the year.

Our first activity was a Puppet Show at Miller Park on July 5, 1963, sponsored by the Winston-Salem Recreation Department. We gave both THE DRAGON'S DILEMMA and WILLIE WILLIAMS GOES TO MARS and found it exciting to have such a large and enthusiastic audience.

In September each group selected a script and began to work on a new play. The daytime group, with Jane Bremer as chairman, chose THE THREE WISHES, an adaptation of a fairy tale. The Professional group chose THE SNAIL THAT ALMOST WASN'T by Julienne Shinn McNeer. While the puppets were being made, two new stages were built; these stages are lighter in weight and easier to carry than our original stage, which has been stored and can be used for outdoor productions.

THE SNAIL THAT ALMOST WASN'T had its first performance in December at North Carolina Baptist Hospital, and subsequently it was presented monthly for the children at Baptist Hospital and at City Memorial Hospital. A performance was also given for the Poke Easies at their February meeting. Beginning in January the daytime group gave monthly performances of THE THREE WISHES at Baptist Hospital; they also presented their play for students at the Children's Center and for kindergarten classes at First Presbyterian Church, Highland Presbyterian Church, Centenary Methodist Church, and St. Paul's Episcopal Church. Both plays were given for League members' children at the Community Center in February (to benefit the Rummage Sale), and both plays were given at the Flower Fair in Old Salem in May.

The Puppet Shows at Miller Park in July and at the Community Center in February received coverage, including pictures, in the *Winston-Salem Journal. The Junior League Newssheets* for February and March contained articles and pictures about the puppets. Information on our puppetry activities has been submitted for an article on the Junior League Page of *The Puppetry Journal* of the Puppeteers of America.

We have had a busy year, and the Junior League Puppets continued to be enthusiastically received in the community. Committee members have enjoyed giving the performances, and we have learned many new things about puppetry.

Respectfully submitted,
Mary Martin Green

RUMMAGE SALE

This year's successful Rummage Sale is due to the hard work of a dedicated committee and a tremendous response from the entire League. It was a two-day Sale, March 13 and 14, and netted over $1,000.00 more in profits than last year's Sale.

We are grateful for the increased participation by the League membership. 112 members spent 3300 hours in Sale preparation and 172 members worked 1072 hours during the Sale itself, for a total of 4374 hours. Statistics show us that each volunteer hour of preparation and Sale produced $3.47 in profits.

Ten Sustainers came to our aid and worked the first shift to replace actives who were sick or out-of-town.

League members not only gave their time and talents, they contributed more rummage than ever before. Actives and provisionals gave $1,540.00 more than last year. The quota requirement remained $30.00, yet the average amount given was $73.42.

Betty Sohmer won the prize of a choice between a week in Florida at the Coquina or a long weekend in Roaring Gap at Graystone Inn.

Our records show that 94 of our 230 Sustainers gave this year, or 40%.

A truck was available all year to pick up big items, thus our Sale offered more diversified items of better quality. We had $25,000.00 worth of merchandise to begin the Sale, and a good part of this came from the year-round rummage stored free at Lentz.

We tried some new features this year. The Puppetry groups co-sponsored a Puppet Show with us for League children and friends, and the more than 200 children plus some parents thoroughly enjoyed the first opportunity to see and hear our puppets. Also the Rummage collected as admission was gratefully received.

The Fashion Show brought 100 more people with over $200.00 more rummage as admission.

For the first time we sold used cars — five of them for a profit of $735.00.

Ten N. C. industries responded to a request for gifts of merchandise, and their items were featured in the Specialty Shop.

We had excellent publicity, including ads in the Sunday paper preceding the Sale, 12,000 bill enclosures sent by a local department store in their March mailing, posters, bumper strips donated by our printer, and good radio and TV coverage. The opening moments of the Sale were filmed from inside the warehouse.

We were extremely grateful for so great a support within the community. 208 merchants, firms, and individuals donated merchandise, properties, and services for our benefit. Each was thanked with a personal note and a Newsletter from the League as a whole.

More stores gave merchandise this year than ever before. Of 149 stores contacted (64 were new contacts), a total of 119 stores gave — and gave a total of over $8,000.00. This is over $5,500.00 more than was given last year.

One reason for the increased giving by stores, League members, and friends is the greater understanding of the value of using the tax deduction form. It serves both as a receipt and as a record for tax purposes.

The Sale is a big business — it raises money that we use in our pledged community projects, but it also serves the low-income public as a way to buy good items at a low price once a year.

Taylor's Warehouse has become the well-known location of the Rummage Sale, and we are very grateful for the continued use of it for $1.00 rent.

On the first day of Sale we banked $15,000.00, an amount almost equal to the Sale's eventual net profit. During the second day we banked $2,996.00. With checks representing percentages of sales from Paul Myers, Coca-Cola, and Dr. Pepper, our total gross receipts were $18,072.08.

Our expenses were higher than last year's, with increased expenditures in trucking, labor, publicity, and a capital investment in new hanging rods. Also we purchased used cars and vacuum cleaners for resale. Expenses totaled $2,904.37, or 16% of our gross receipts.

Leaving $500.00 in the account for next year's committee, a check for the Sale's net profit of $15,167.71 was presented to the League at the May annual meeting.

Respectfully submitted,
Aurelia Eller

TRANSFER

The Transfers were individually introduced at membership meetings with their names, their husband's names, occupations and hometowns. Articles about the fifteen Transfers appeared in the Newssheet.

The Transfers were invited to join the Provisionals for the Community part of their course in October. They were visited by committee members during the year and contacted for all meetings and social functions by different members of the

Transfer Committee. This enabled them to meet more members of the League. A list of the Transfers was sent to the Hospitality Committee.

A cocktail party was held at my house on January 17th for the Transfers, their husbands or dates, the Executive Board, and the Transfer Committee and their husbands.

I wish to express, to my committee and all the many other girls who have made this year so enjoyable for me, my thanks and appreciation.

Respectfully submitted,
Margaret Leckie

A. Provisional Membership

Provisional members are those who are engaged in complying with the requirements for admission to Active Membership and are not eligible to vote or hold office.

Provisional members shall be required to complete a provisional member's course, which shall meet the standards set by the Association and a period of volunteer service satisfactory to the Placement Committee within twelve months after their election to provisional membership. An extension of time may be granted by the Board of Directors in the case of provisionals who for unavoidable reasons are unable to complete the course. Provisionals who have completed these requirements are admitted to active membership by a three-fourths vote of the Board of Directors. Those members failing to meet the provisional requirements shall be dropped from membership by a three-fourths vote of the Board of Directors and may not come up again for membership within two years.

B. Active Membership

Active members are those who have completed the requirements for provisional members and who, having been admitted to active membership, justify such membership through service to their communities. An active member shall enjoy all rights, privileges and obligations of membership until the end of the League Year (which need not be the League's fiscal year) in which she reaches her 40th birthday, provided, however, that any active member who holds a position as an officer or director of a League or the Association immediately prior to her 40th birthday, shall be considered an active member for all purposes until the completion of such term as officer or director. They shall perform voluntary service for a period and in a manner satisfactory to the Placement Committee.

C. Sustaining Membership

Sustaining members are those who have reached the age limit for active membership. They shall have all privileges of membership except that they may not hold office or vote.

Section 2. Admission to Membership

A. Eligibility

A proposed member shall be from 19 through 32 years of age on or before her proposal on July 1. She shall have completed her schooling or be in her last year of school. She shall have been a resident of Winston-Salem or its vicinity for at least two years immediately prior to the time of her proposal. In the case of a proposed member who has lived in Winston-Salem or its vicinity at least ten years and has returned after residing elsewhere, the two-year residency requirement prior to proposal shall not apply. At the time of invitation, a proposed member must be residing in Winston-Salem or its vicinity, except in the case of a proposed member whose home is in Winston-Salem or its vicinity but who is away completing her last year of school.

B. Proposal of Members

Each candidate shall be proposed by one member and seconded by two members on an application blank provided for the purpose. No candidate shall be proposed or seconded by a member of the Admissions Committee nor of the Executive Committee, nor by her relative (mother, mother-in-law, sister, sister-in-law, aunt, niece, or first cousin). No candidate shall be considered whose name has been proposed and voted on four times.

Application for membership shall be received by the Chairman of the Admissions Committee at any time during the year. The deadline for applications for those members to be taken in the following May shall be July 1. Only one blank for each candidate shall be accepted by the Admissions Committee.

Any eligible Active or Sustaining member may propose one candidate and second one candidate during a given year, but no member shall write to the committee in behalf of a candidate. No member of the League shall contact any member of the Admissions Committee in behalf of a candidate.

C. Election to Membership

The Chairman shall present the names of proposed candidates to the voting members of the Admissions Committee, and each shall vote by secret ballot. Eight affirmative votes of the Admissions Committee shall qualify a proposed candidate for membership. Invitations shall be mailed immediately to those elected. Before the candidate accepts the invitation, she shall agree to fulfill the duties and obligations of membership. The names of those who accept shall be announced at the Annual meeting.

If a candidate is unable to take the Basic Provisional Course or to transfer to another League, she must decline the invitation to membership. Reservations

In writing for information or to make a reservation, always address Guest Room Hostess, Association of the Junior Leagues of America, Inc., The Waldorf-Astoria, New York 22, New York.

Reservations cannot be accepted more than three months in advance. **In case of cancellation, an immediate wire is requested.** Cancellations made less than 24 hours in advance will be billed at full rate. This not only protects the Association against loss, but prevents the turning away of members who otherwise could be accommodated.

Reservations received by wire are answered by Western Union collect. Please indicate the name of your League when making reservations.

Since there are so few rooms in the Junior League section, it is only possible to assign the best accommodations when the exact dates of arrival and departure are known in advance. It is often impossible to retain rooms longer than the time specified in the reservation, due to the fact that they are reserved for the very date they are to be vacated.

Registration

8:00 A.M. to 9:00 P.M. — Upon arrival, please take the West elevators and go directly to the guest room desk in the AJLA office on the 19th floor to register.

9:00 P.M. to 8:00 A.M. — Upon arrival, kindly register at the front desk of the Waldorf-Astoria Hotel.

Length of Stay

Because of the great demand for accommodations, it has been found necessary to limit the length of stay to one month each six months.

A.J.L.A. Departure Time 12 noon.

Those retaining their rooms after departure hour will be charged for another day. Due to heavy bookings, we are unable to promise that accommodations always will be assigned immediately upon arrival.

Eligible Guests (other than League members)

Members of immediate families (husbands, children, parents, brothers and sisters) may be accommodated for a period not exceeding two weeks when the League rooms are not otherwise occupied. If accompanied by a League member the period is extended to one month.

Written authorization from a League member is REQUIRED for reservations of members of her family. Members are requested to write AJLA for the necessary form to be filled out in advance of making family reservations. No form is necessary, however, if the member accompanies her family.

Guests other than League members (or their immediate families) may be accommodated **only** when accompanied by a League member. League members need not request a form in advance when accompanying non-members. The daughters of Junior League members may be accompanied by friends when sponsored in accordance with established procedures.

MEMBERS SHALL BE RESPONSIBLE FOR ANY UNPAID INDEBTEDNESS INCURRED BY GUESTS INTRODUCED BY THEM. Members of individual Leagues, who are delinquent in paying any indebtedness to the Association, shall be considered in arrears in their dues to their own League. (By-laws, Article II B, Section 4.)

Telephone Connection

The most direct way for your friends to reach you is by calling the Waldorf-Astoria, ELdorado 5-3000, and asking for you by name. The Junior League may be reached through the Waldorf number, or direct at ELdorado 5-4380. We will be glad to give information and render any assistance possible to your friends in reaching you.

Bills

Bills are mailed to guests after their departure unless they prefer to pay before leaving. Only United States Currency, checks on United States Banks or Checks on Canadian Banks payable in American funds can be accepted. CHECKS WILL NOT BE CASHED FOR MEMBERS UNLESS THEY ARE STAYING IN THE HOTEL AS JUNIOR LEAGUE GUESTS. Members of individual Leagues, who are delinquent in paying any indebtedness to the Association, shall be considered in arrears in their dues to their own League. (By-laws, Article II B, Section 4.)
